SE/H/2559/01-03/DC

Summary Public Assessment Report

Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral
sodium hydrogen carbonate, sodium chloride, potassium chloride, macrogol

Powder for oral solution in sachet.

This is a summary of the public assessment report (PAR) for Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral. It explains how the assessment was made and why the authorisation was recommended as well as the conditions of use. It is not intended to provide practical advice on how to use the product.

For practical information about the use of the product, patients should read the package leaflet or contact their doctor or pharmacist.

What is Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral and what is it used for?

The product is a 'hybrid medicine'. This means that it is similar to a reference medicine containing the same active substance.

The reference medicine for the product is Movicol.

The company has provided additional own data to demonstrate therapeutic equivalence between the product and the reference medicine.

The product Abdomin Neutral and Abdomin Citrus is a laxative used in the treatment of constipation in adults, adolescents and the elderly. It is not recommended for children below 12 years of age.

The product Abdomin Junior Neutral is a laxative used in the treatment of chronic constipation in children aged 1 to 11 years and for the treatment of very bad constipation (called faecal impaction) in children aged 5 to 11 years.

How does Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral work?

The main active ingredient of Abdomin Neutral, Abdomin Citrus and Abdomin Junior Neutral is macrogol 3350 and acts by virtue of its osmotic action in the gut, which induces a laxative effect. It helps you to have a comfortable bowel movement even if you have been constipated for a long time.

How is Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral used?

The pharmaceutical form is powder for oral solution in sachets for oral use.

Please read section 3 of the package leaflet for detailed information on dosing recommendations, the route of administration, and the duration of treatment.

A prescription might be needed for this medicine in Sweden.

What benefits of Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral have been shown in studies?

Because the product is a hybrid application and is considered to be therapeutically equivalent to the reference product Movicol, the benefits and risks are taken as being the same as those of the reference medicine.

What are the possible side effects from Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral?

For the full list of side effects, see section 4 of the package leaflet.

For the full list of restrictions, see the package leaflet.

Why is Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral approved?

It was concluded that, in accordance with EU requirements, the product has been shown to have comparable quality and is considered to be similar to the reference medicine. Therefore, the Swedish Medical Products Agency decided that, as for Movicol, the benefits are greater than its risks and recommended that it can be approved for use.

What measures are being taken to ensure the safe and effective use of Abdomin Neutral, Abdomin Citrus, Abdomin Junior Neutral?

A risk management plan has been developed to ensure that the product is used as safely as possible. Based on this plan, safety information has been included in the summary of product characteristics and the package leaflet, including the appropriate precautions to be followed by healthcare professionals and patients.

Known side effects are continuously monitored. Furthermore, new safety signals reported by patients/healthcare professionals will be monitored/reviewed continuously as well.
